DEPARTMENT OF PUBLIC INSTRUCTION.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE, BANGALORE.

ADMISSION TO THE SCHOOL OF ENGINEERING, BANGALORE.

Notification dated 21st March 1938.

The School of Engineering, Bangalore, gives instruction in Mechanical, Electrical and Civil Engineering. The instruction in Mechanical and Electrical Engineering is divided into two grades—Higher and Lower.

2. The complete course for the Civil Engineering students covers a period of three years, of which the first two years, will be spent in the school and the third year on work in any of the Executive Divisions of the Public Works Department. The complete course for the Mechanical and Electrical Engineering students extends over a period of four years, of which the first three years will be spent in the school and the last year in any of the recognised works.

3. Students who pass the Higher Grade Mechanical and Electrical Engineering Examinations will be awarded L. M. E. and L. E. E. Diplomas, respectively.

4. The session commences from 1st July and consists of two terms, the first ending with Christmas and the second with the close of the following April. The hours of attendance are from 10-30 A.M. to 1-30 P.M, and 2-30 P.M. to 4-30 P.M.

5. The number of students admitted to the School is limited to 30 for the Civil Engineering Class and 75 for the Mechanical and Electrical Engineering, Higher and Lower Grade Classes.

6. Seventy-five per cent of the seats will be reserved in each section for candidates of backward communities with the minimum qualifications. The remaining twenty-five per cent will be open to all communities strictly on a merit basis subject to the minimum qualifications referred to below. In the event of sufficient number of candidates belonging to backward communities possessing the required qualifications not forthcoming, the vacancies will be filled up by the admission of qualified Brahmin candidates.

7. Admissions will generally be restricted to Mysoreans but if there are any vacancies and suitable local candidates are not forthcoming, a limited number of Non-Mysoreans who are otherwise qualified may be admitted. Not more than five seats per annum may be reserved out of the present strength for candidates from outside if the respective Governments consent for reservation of seats on payment of Rs. 500 per annum per student for three years in addition to the payment of their School Fees.

8. There will be no reservation of seats for Malnad students, but Malnad students with the same qualification will be preferred to Maidan students, provided they have read in a Malnad High School and belong to Malnad Districts.

9. The age of candidates of admission to the School should be between 16 and 20 years. The qualifications for admission to the Civil Engineering Section and to the Higher grades of the Mechanical and Electrical Engineering sections should be S. S. L. C. (E. C. or Pass) or an equivalent examination with Physics or Mathematics as optionals, and for Mechanical and Electrical Engineering Lower Grades, a certificate of having completed the Fifth Form course. No preference will be shown to candidates who have passed the Intermediate Examination or have undergone the Intermediate Course over those who have passed the S. S. L. C. Examination (E.C. or Pass).

10. No student will be admitted to the school unless he gives an undertaking in writing that he will not leave the school in the middle of the course, except for valid reasons such as medical advice, inability to continue the studies, etc. A desire to continue the general education courses or join other branches of technical education will not be considered as a valid reason.

11. Applications for admission to the school, which shall be in the candidate's own handwriting, must be submitted in the prescribed form (noted on the reverse) to the Superintendent, accompanied with a registration fee of rupee one in cash (not in stamps) which will on no account be refunded. Applications will be received by the Superintendent up to the 10th June and the selected candidates willl be informed of their selection about the 25th June. Any attempt on the part of the candidate to enlist support for his application through persons of influence will disqualify him for selection.

12. The registration fee either by Money Order or cash will be received only from the 4th to the 10th June. In the case of Money Orders, full address of the applicant must be given in the coupon. Otherwise, the Money Order will be returned.

13. Candidates for admission into the Civil Engineering Course and the Mechanical and Electrical Engineering Higher Grades should submit a certified copy of the marks obtained by them at the S. S. L. C. Examination or the register itself and those for the Lower grades, a certified copy of the marks obtained in the Fifth Form Course. Otherwise their applications for admission will not be considered.

14. Applications for admission should be accompanied by the following certificates:—

(1) Transfer certificate.
(2) Certificate of age.
(3) Certified copy of the marks obtained at the S. S. L. C. Examination or the register itself for the Higher Grades and Civil Engineering and the marks obtained in the Fifth Form for the lower grades.
(4) Certificate from a person of known respectability that the candidate is a native of Mysore by birth or domicile.
(5) Certificate from a Medical Officer not below the rank of an Assistant Surgeon about the candidate's physical fitness.
(6) Certificate from parent or guardian stating that the candidate has sufficient means to prosecute his studies in the school without getting Scholarship or Freeship.
(7) An undertaking in writing by the student attested by parent or guardian that the student will not leave the school in the middle of the course.

15. The selected candidates must join the school on the 1st July. Seats will not be kept reserved after the 5th.

16. The rates of tuition fees payable in one instalment at the commencement of each term in July and January for all sections are as follows:—

Mysoreans	Rs. 22-8-0 per term.
Non-Mysoreans	Rs. 50-0-0 „

17. A security deposit of Rs. 10 in the case of Mysoreans and of Rs. 15 in the case of others will be collected from each student at the time of admission. The deposit amount will be returned when the student leaves the school, after deducting all dues on account of loss, breakages, etc., for which he is responsible.

18. A fee of Rs. 5 per annum is payable by each student along with tuition fees in one instalment only in July as his subscription to the Sports' Club, Technical Students' Association and Socials. Each student must pay a medical fee of annas eight per annum in July along with his tuition and other fees.

19. Scholarships and Freeships are awarded to the First Year Students on the results of an examination to be held in September.

20. Casual students who desire to work in the School Workshop are also admitted provided seats are available. Such students have to pay a fee of Rs. 3 per month.
